Presidents Corner November

Fellow Aggressors,

Your Aggressor Association is still looking for a “Webmaster” to take our website to the next level. Our current administer, Dida Clifton, got it going but is not able to put in the time to take it to the next level due to her other commitments. I realize we are sometimes “tech” limited, but I do believe if some one would like to take this job, it would be a fairly easy learning process. Dida can help with the initial learning process. If you think this is something you would like to do, we could sure use your help. Just respond to this email and we’ll get ya going.

In other news, I received a call from Easi Manning, the 64th AS/CC, that the first Aggressor Conference will be held on January 22-23, 2019. I think this will be the first time they are getting ALL the Aggressor Squadrons together to discuss issues going forward. So, just to go through the current Aggressor Squadron lineup:

64th Aggressor Squadron---Nellis AFB, NV
18th Aggressor Squadron---Eielson AFB, AK
57th Adversary Tactics Support Squadron---Nellis AFB, NV
507th Air Defense Aggressor Squadron---Nellis AFB, NV
26th Space Aggressor Squadron---Schriever AFB, CO
527th Space Aggressor Squadron---Schriever AFB, CO.

In addition, the 64th is augmented by Draken International, a civilian commercial Red Air group. It appears this is working quite well, by the way.

The good news is your Aggressor Association has been invited to make a 45-minute presentation on Aggressor History and “What Makes a Professional Aggressor”. And, of course, we will make our pitch for the Aggressor Association as well! The conference is open to former Aggressors, however, there is limited capacity and one must have a current SECRET clearance verifiable by JPAS. If you are interested contact Mark DuLaney at 702-493-3361 or dula737@aol.com and I’ll connect you to the squadron POC.

Other news is our own Richard Cline has offered to create another one of his fine prints / painting commemorating our 50th Reunion. We will have more info about this going forward, but the plan is to have this available prior to the reunion for purchase. Proceeds will go to the reunion fund and, of course, a percentage back to Richard. Looking forward to his next presentation. I think I have all of his Aggressor prints!

Hoping everyone has a Happy Thanksgiving, We are certainly thankful for living in the best country the world has ever known. And if you haven’t done so please check out www.gomersrule.com and join the Aggressor Association.

Check 6 and Be Humble
